# Correction: Perceptions and experiences of COVID-19 vaccines' side effects among healthcare workers at an Egyptian University Hospital: a cross-sectional study

Hisham Ahmed Orebi<sup>1</sup>, Hesham Elsayed Emara<sup>1</sup>, Abdallah Ahmoud Alhindi<sup>1</sup>, Mohamed Reda Shahin<sup>1</sup>, Arwa Hassan Hegazy<sup>1</sup>, Ibrahim Ali Kabbash<sup>2</sup>  and Shima M. Saied<sup>2\*</sup> 

## Correction to: *Tropical Medicine and Health* (2022) 50:37

<https://doi.org/10.1186/s41182-022-00427-2>

Following publication of the original article [1], the authors reported an error in ethical approval number. The ethical review number should be corrected from 34474/2/2021 to 35033/11/21.

The correct version has been provided below.

## Ethics approval and consent to participate

The Ethical Committee of Scientific Research in the Tanta Faculty of Medicine approved the research before starting the study (No. 35033/11/21). For participants' consent, we inserted a written consent in the introductory page of the questionnaire, and all participants gave informed consent before answering the questions. Participation in this study was voluntary.

The original article [1] has been corrected.
